

THIS IS NADINE.

She helps people run
coworking spaces.

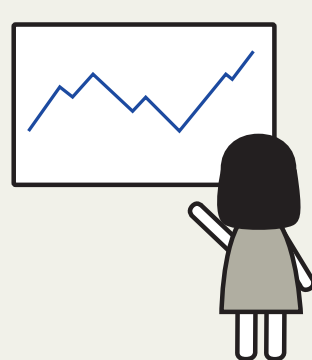

An open source coworking platform. Raised by
Office Nomads since 2008.

NADINE GROW UP TO HELP WITH:

Communications:

member profiles, discovery,
email, tags. [more info](#)

Reporting:

tracking activity, analytics,
billing reports. [more info](#)

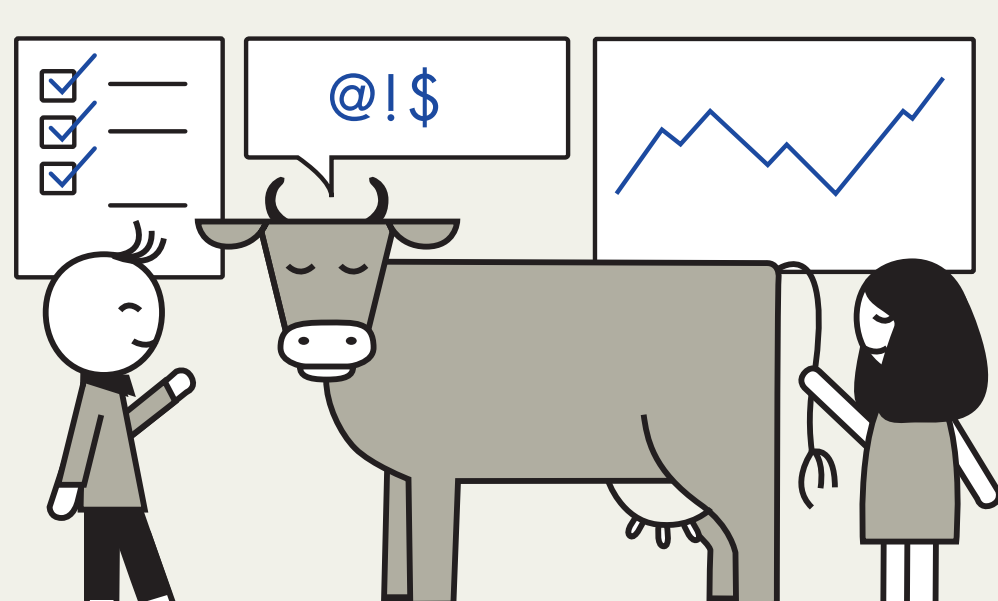

Work Flow:

tasks, onboarding/exiting,
sign in, sign up. [more info](#)

Now *Office Nomads* wants to share Nadine with
other coworking spaces around the world!

GETTING STARTED

Download and configure Nadine

You can get started by downloading
the source code, and joining the
[discussion group](#).

DOWNLOAD THE SOURCE

We love meeting coworking space owners and
sharing how we run Office Nomads smoothly.

NOT SURE HOW TO START?

Get in touch with
the Cowherders at
Office Nomads.

Hi! Let's talk.
